## Good news about dental benefits for retirees of **ARIZONA STATE RETIREMENT SYSTEM**

### Dental Plan Choice

Our company understands that today's retirees demand choice. That's why we offer a voluntary dental program that allows you to choose between a basic and deluxe plan.

The Hi-Lo Choice provides you with the freedom to choose a dental plan that best fits your individual needs. Compare the cost and benefits of each plan, then determine which plan will work best for you and your family.

### Plan Features:

- Freedom to choose any dentist, including specialists
- PPO Options Available<sup>1</sup>
- No referrals required
- Vision care program includes access to discounts (including contact lens exams)

### How the Plan Works

This dental plan provides a variety of benefits and allows you and your family to use any dentist or specialist you choose. Benefits are paid after any applicable deductible has been met, up to the annual maximum. Claim payments may be made to you or your dentist, whichever you prefer.

Assurant® Dental Network, the dental network for your plan, includes 100,000+ unique dentists contracted with Dental Health Alliance, L.L.C.® (DHA®) and dentists under access arrangements with other dental networks. To find a dentist in your area, or to nominate your dentist to participate in our network, go to [www.sunlife.com/ASRS](http://www.sunlife.com/ASRS) or call Customer Service at 800.442.7742.

### The Choice Is Yours

Freedom Basic provides coverage for some of the more common dental procedures. Freedom Advance also offers valuable protection, and provides increased benefits over the Freedom Basic plan.

*<sup>1</sup>You are free to use the dentist or specialist of your choice. However, when you choose a dentist in our PPO network, you can save money. Using a network dentist may lower your out-of-pocket costs and can make your annual maximum go further.*

Plan frequencies, limitations and waiting periods apply.

This dental plan does not provide coverage for pediatric oral health services that satisfies the requirements for "minimum essential coverage" as defined by the Patient Protection and Affordable Care Act. ("PPACA").
