

Notice of 2026 annual and special meeting of common shareholders and notice of availability of meeting materials

Notice and access

We are making this management information circular (the Circular) available online instead of by mail according to a set of rules developed by Canadian Securities Administrators called notice and access, and pursuant to an exemption received from the Office of the Superintendent of Financial Institutions Canada.

We are also using notice and access for delivery of our management's discussion and analysis to registered shareholders and for delivery of our financial statements and management's discussion and analysis to non-registered (beneficial) shareholders and share ownership account participants.

This means that instead of receiving a paper copy of certain meeting materials, you are receiving this notice explaining how to access them online. You will also find below information on how to request paper copies of these meeting materials if you prefer.

You will find enclosed with this notice a proxy or voting instruction form, enabling you to vote at our annual and special meeting.

We encourage you to read the Circular before exercising your vote.
