

Marlene Van den Hoogen

Vice-President, Capital Planning & Treasury Sun Life Financial

Marlene Van den Hoogen is Vice-President, Capital Planning & Treasury for Sun Life Financial. Ms. Van den Hoogen assumed this role in 2014 and is responsible for Sun Life Financial's treasury operations, capital planning and capital optimization strategies. She is also responsible for managing bank and rating agency relationships. Ms. Van den Hoogen joined Sun Life in 2011, appointed to the position of Vice-President, Actuarial Reporting and Analysis. In this role, Ms. Van den Hoogen was a member of the Corporate Actuarial leadership team and assumed accountability for managing the presentation of actuarial management information for SLF globally, improving the quality, clarity and consistency of the information provided.

Prior to joining Sun Life, Ms. Van den Hoogen was with Bank of Montreal as Vice-President and Chief Risk Officer for BMO Insurance, responsible for the risk management framework for the insurance line of business. She was also the Appointed Actuary of BMO Life. Prior to BMO, Ms. Van den Hoogen worked at TD Insurance as Vice-President, Strategic Initiatives, where she led the development of an integrated strategy for the insurance line of the business. As a consultant with Tillinghast-Towers Perrin for a number of years, she also gained broad actuarial experience through client projects on embedded value, demutualizations, US GAAP conversions, financial modeling and pricing work.

Ms. Van den Hoogen has a Bachelor of Commerce with a major in Finance from Queen's University and has a Post Degree Diploma in Actuarial Science from the University of Waterloo. She is a Fellow of the Canadian Institute of Actuaries as well as a Fellow of the Society of Actuaries.
