- \$70,000 donated to 23 charities and four schools in Bermuda

**HAMILTON, Bermuda – (November 28, 2022)** – Sun Life International announced today the donation of \$70,000 to a large number of Bermudian charities.

This year's announcement continues Sun Life's tradition of charitable giving in Bermuda. Every year, Sun Life International's Charitable Giving Committee, which consists exclusively of Bermuda-based employees, awards funds to numerous charities, registered in Bermuda. This year, the Charitable Giving Committee awarded funds to 23 Bermudian charities and four schools. The grants, which range in size from \$1,000 to \$7,500, will benefit organizations focusing on the needs of youth and elderly, education, food and housing insecurity and sustainability.

"This donation continues our good tradition of supporting communities where we live and work," said Michael Grob, Chief Partnership and Marketing Officer, Sun Life International. "We are pleased to see our donations support local schools and help address poverty, mental health issues and other good causes."

Headquartered in Bermuda, Sun Life International donates funds to various charity organizations every year. Earlier this year, over 90 Sun Life employees took part in Relay for Life event, having raised, with Sun Life's matching contributions, over \$46,000 for the Bermuda Cancer & Health Centre's Equal Access Fund and Global Relay for Life's cancer control initiatives.

"Charitable donations represent an important part of our corporate strategy," said Duarte de Frias, AVP, Corporate Governance, Sun Life International. "We focus our efforts on communities where we live and work. It is gratifying to see our funds opening broader access to education and healthcare."
